Scoring

There are 10 races scheduled. The completion of one (1) race constitutes a Regatta. On March 14, 2010, no warning signal will be given after 1330 hours. If 6 races are sailed, each boat's series score shall be the total of her race scores excluding her worst score. This changes RRS A2. The opportunity to schedule fewer races can be addressed at the Skipper's Meeting.

VHF Radios and Recalls

Bring your VHF radio. It will be the primary way to communicate with the contestants about activity on the race course; e.g., delays, recalls, weather related issues. Specifically for Recalls: Following the display of the individual recall signal, the RC will attempt to announce first by VHF radio and second by hailer the racing number of all boats identified on the course side of the starting line at the starting signal. This changes RRS 29.1. Such announcement is a courtesy and failure by the RC to make the announcement or of the boats to hear or understand it shall not constitute grounds for redress.

Trophies

Keeper trophies: Trophies will be awarded to the top three positions.

City of Eustis zoning regulations limit LESC to eight spaces for RVs. Camping is permitted. Please declare intent to RV/camp in the comment section of your registration form - first come first served!
