June 1, 2008

The 70<sup>th</sup> year Eastern Regatta is less than two months away!! Please join us at Lake Keuka in the Finger Lakes Region of Western New York State. The first Easterns was held in 1939 – seems like just yesterday!

While the Easterns will occur over Thursday, Friday and Saturday, July 31 to August 2, the weekend before (July 26-27) is the second half of the annual New York State Championship (the first half of the New York States is at Chautauqua the weekend before the Nationals in June). Easterns participants are invited to attend the New York States, for a taste of Keuka before the Easterns, and altogether this adds up to 5 days of racing in a period of 8 days!

We've attached the Notice of Race (NoR). You can also find the NoR on the National Class E Scow Association website at [www.e-scow.org](http://www.e-scow.org) and at the Keuka Yacht Club website [www.keukayc.org](http://www.keukayc.org).

The NoR includes registration links. Please register electronically if at all possible by using the link <http://tinyurl.com/5u3mv9>. You can check in later to see the list of those planning to attend by using the link [http://www.mcscow.org/cgi-bin/list\\_registrants.cgi?906:08:eeastern](http://www.mcscow.org/cgi-bin/list_registrants.cgi?906:08:eeastern). We've attached some information on accommodations in the area of KYC. See [www.fingerlakes.org](http://www.fingerlakes.org) for lots of information on the greater finger lakes area (search for Hammondsport/Steuben County or Penn Yan/Yates County), or see [www.corningsteuben.com](http://www.corningsteuben.com) or [www.yatesny.com](http://www.yatesny.com) for accommodations/rentals and more local items of interest.

We're looking forward to a great time at Keuka for Easterns, 2008!

There is no visiting power boat mooring at

space is taken by participating E scows. There is no room  
for parking power boat trailers. Our regrets on this point.
